

NEW JERSEY COAST OFFERS ATTRACTIVE TOURING GROUND

By O. M. Wells
(Chief Roadman, The Automobile Club of America.)

New Jersey's long coast line and its resorts provide a tour that is always a favorite with motorists. There are two ways to reach Perth Amboy, either via Staten Island or through Newark, Elizabeth and Rahway. If the latter route is desired

cross the 4th Street ferry to Weehawken and proceed via the Hudson County Boulevard and Plank Road to Newark, where Elizabeth Avenue is followed to Elizabeth. From Elizabeth turn right into Rahway Avenue, which becomes St. George's Avenue, and cross Grand Avenue into Rahway. Continue straight on through Woodbridge to Perth Amboy. If the motorist prefers to use the Staten Island route, from the Battery, take the Municipal Ferry to St. George and follow Bay Street to the Marine Boulevard, where a right turn is made into Vanderbilt Avenue, becoming Amboy Road. From there on continue through New Dorp and Huguenot to Tottenville, where the ferry is crossed to Perth Amboy.

Immediately after crossing the bridge take first road to left, which is now in fair condition to South Amboy. From South Amboy there is mostly hard-surfaced road to Keyport. From Keyport there are three ways of reaching the coast. A great many motorists prefer going over the Atlantic Highlands Boulevard. Although somewhat longer than the other routes, it offers a panorama of beautiful marine views, overlooking the Lower Bay and Sandy Hook. The shortest way to reach the coast, now that the new concrete road is finished, is from Keyport through Middletown to Red Bank. One of the most beautiful drives in New Jersey is to run from Red Bank to Sea Bright over the new Harding Road, which joins the Hudson Road through Rumson, which is known as the "Borough Beautiful." From Sea Bright the Ocean Boulevard is followed through Long Branch, Asbury Park and Spring Lake to Point Pleasant, where an excellent connection is made to Lakewood. The direct and short route to Lakewood is to run due south from Keyport through Freehold and Farmingdale to Lakewood. This road will be found in good condition throughout. From Lakewood the trunk line to Atlantic City goes through Toms River, Barnegat, Manahawken, Tuckerton, New Greta and Absecon to Atlantic City. The road from Atlantic City will be found pleasant throughout, as the short stretch of poor road at New Greta, which heretofore proved troublesome to some motorists, has been repaired.

AUTOMOBILE NOTES.

A committee formed of New York business men, residents of the Elmhurst section of Long Island, announce the holding of an automobile show from June 3 to 11th next, on the Jackson Avenue highway, at 23d Street, Elmhurst. A colossal tent, covering some 20,000 square feet, will house the exhibits.

The latest motorcycle census shows that there are 271,000 riders in the country. New York State leads with 69,349 registered machines. Pennsylvania is second with 22,381. Ohio has 19,406 and Illinois 10,365. Cook County alone has 5,000 machines.
